Jurisdiction of Division Courts.—(1) All personal actions where the amount claimed does not exceed the sum of \$120; (2) all claims and demands of debt, account or breach of contract or covenant or money demand, whether payable in money or otherwise, where the amount or balance claimed does not exceed \$200; provided that in the case of an unsettled account the whole account does not exceed \$1,000; (3) all claims for the recovery of a debt of money demand, the amount or balance of which does not exceed \$400; and the amount or original amount of the claim is ascertained by the signature of the defendant or of the person whom, as executor or administrator, the defendant represents. (10-11 Geo. V, Chap. 34.) There is no jurisdiction where the title to lands and certain actions of tort are involved.

County Courts.—There is a County Court in each county which is a court of record, and speaking generally has jurisdiction; (1) in all personal actions where the amount claimed does not exceed the sum of \$500; (2) in actions arising out of contract, express or implied, where the sum claimed does not exceed \$800; (3) in actions for trespass or injury to land, where the sum claimed does not exceed \$500; (4) in actions for the recovery of property, real or personal, where the value of the property does not exceed \$500.

Supreme Court.—The Supreme Court of Ontario is composed of the Appellate Division and the High Court Division and is the superior court of the Province of Ontario, the jurisdiction being practically unlimited.

The Exchequer Court.—The Exchequer Court has jurisdiction in all cases in which it is sought to enforce any law of Canada relating to the revenue, and generally speaking, in all suits of a civil nature in which the Crown in the interest of the Dominion is concerned. It is frequently resorted to in copyright and patent cases, as the judgments of the Exchequer Court are binding in all parts of the Dominion. The sittings of the court are fixed in any part of the Province whenever a case is ripe for trial. There is an appeal from the decision of the Exchequer Court to the Supreme Court of Canada.

Appeals.—There is a right to appeal to the Appellate Division of the Supreme Court from practically every judgment of a Court of first instance, except a judgment of a Division Court involving less than \$100 exclusive of costs.

ALIENS.—Aliens may take, hold and dispose of real and personal property as freely as natural born subjects. Naturalization is easily obtained.

ARREST AND IMPRISONMENT FOR DEBT.—Imprisonment for debt is not allowed in Ontario, but in case a creditor by affidavit of himself or other person shows to the satisfaction of a judge that he has a cause of action to the amount of \$100 and upwards, and that there is good and probable

cause to believe that the debtor is, unless forthwith apprehended, about to quit Ontario with intent to defraud his creditors, the judge may grant an order for the arrest of the debtor, who thereupon may be arrested and confined in close custody until he puts in special bail for such sum as shall be named by the judge in an order. (See 9 Ed., vii, Chap. 50.) Under the criminal code every one is guilty of an indictable offence and liable to a fine of \$800, and to one year's imprisonment who: (a) with intent to defraud his creditors or any of them (1) makes or causes to be made any gift, assignment, sale, transfer or delivery of his property; (2) removes, conceals or disposes of any or his property; or (b) with the intent that anyone shall so defraud his creditors or any one of them receives any such property; (c) or being a trader and indebted in a sum exceeding \$1,000 fails to keep accounts.

Also everyone is guilty of an indictable offence and liable to ten years imprisonment, who, with intent to defraud his creditors or any of them, destroys, alters, mutilates or falsifies any of his books, papers, writings of securities, or makes, or is privy to the making of any false or fraudulent entry in any book of account or other document. (See Criminal Code of Canada, 1906, Sec. 417 and 418.) Promoters, directors or managers of public companies or bodies corporate who make, publish or circulate or concur in the making or publishing of any prospectus, statement or account which they know to be false in any material part, with the intent to induce persons to become shareholders or to deceive the members or shareholders, are guilty of an indictable offence and liable to five years imprisonment. They are also civilly responsible to parties who may have purchased stock on the faith of such statements, etc. (7 Ed., vii, Chap. 34, Sec. 102) (See Criminal Code of Canada, 1906, Sec. 414.) The Criminal Code also contains stringent provisions for the punishment of clerks or servants, who, with intent to defraud, destroy, alter or falsify books, documents or valuable securities belonging to their employers. There are also numerous sections providing for the punishment of persons for such offences as the concealing of deeds or incumbrances, the false registration of titles to lands, fraudulent sales and hypothecations the giving of false warehouse receipts, the wilfully parting by warehousemen with goods or property covered by warehouse receipts, and other matters having special relation to trade and commerce.

ASSIGNMENTS OF BOOK DEBTS.—The Assignment of Book Debts Act of 1923 provides that any such instrument to be valid must be registered in the County Clerk's Office within 21 days. In practice, this generally refers to loans from banks, which take security in an Assignment of Book Debts. The Act does not state whether the instrument is given in perpetuity or has to be renewed each year.

ATTACHMENTS.—Attachments may issue in the case of absconding debtors who leave Ontario with intent to defraud their creditors and who are possessed, to their own use and benefit of real or personal property, credits or effects not exempt by law from seizure. The full practice is set out in Executions or Certificates (9 Ed., vii, Chap. 49). All creditors who place attachments in the

sheriff's hands within two months from the date of the first writ share *pro rata* with the attaching creditor. In the Division Court, all creditors of the same class with the plaintiff share *pro rata*, if within one month after the issue of the first attachment they give notice of their claims to the clerk of the division court, out of which the first attachment issued or in which it is made returnable.

BANKRUPTCY.—(See Canadian Bankruptcy Act in final pages of Reference Book.)

BILLS OF EXCHANGE AND PROMISSORY NOTES.—Demand notes and bills are payable without days of grace. On sight and time notes and bills three days' grace are allowed. If the third day is a Sunday or other legal holiday the note or bill is payable on the next juridical day. The legal holidays are Sunday, New Year's Day, Good Friday, Easter Monday, Christmas Day, the birthday (or the day fixed for the celebration of the birthday) of the reigning sovereign, Dominion Day (1st July) or if that day be a Sunday (the 2d July); any day appointed by proclamation for a public holiday, or for a general fast or a general thanksgiving throughout Canada and the day next following New Year's Day and Christmas Day when those days respectively fall on Sunday. The acceptance of a bill must be written on the bill and be signed by the drawee. The mere signature of the drawee without additional words is sufficient. Interest does not commence to run until after maturity, unless bill or note is expressed to be payable with interest. If the note provides for payment of interest from its date at a rate exceeding legal rate (5 per cent.) "until paid," such words are not sufficient to entitle the holder to interest beyond legal rate after maturity of note. In order to entitle a holder to interest at the rate stipulated for, more express words would have to be inserted, as the law presumes payment at maturity.

CHATEL MORTGAGES AND BILLS OF SALE.—All mortgages or conveyances of personal property are void as against creditors and subsequent purchasers or mortgagees in good faith for valuable consideration, if not accompanied by an immediate delivery and followed by an actual and continued change of possession of the goods mortgaged or sold, unless registered in the office of the clerk of the county court within five days from the execution thereof, together with an affidavit of such execution by a subscribing witness, and an affidavit of the mortgagee or purchaser, or his agent, as to the *bona fides* of the mortgage or bill of sale. Within thirty days next preceding the term of one year from the filing of the mortgage a statement exhibiting the mortgagee's interest in the property and showing the amount still due for principal and interest and all payments on account thereof and an affidavit of the mortgagee that such statement is true and that the mortgage has not been kept on foot for any fraudulent purpose must be filed in the clerk's office or the mortgage will be void as against creditors and subsequent purchasers or mortgagees in good faith. A similar statement is thereafter to be filed yearly. An agent may be authorized generally to take and renew all or any mortgages. It has been held by the judicial committee of the privy council that warehouse receipts taken by a bank pursuant to the

provisions of the banking act need not be registered. It would therefore be advisable in taking a chattel mortgage to make specific inquiries of the mortgagor as to the existence of warehouse receipts or conditional sale notes. In the event of false answers being given to such inquiries, the mortgagor would bring himself within the provisions of the criminal code, section 419.

CONDITIONAL SALES.—Receipt notes, hire receipts, etc., in the case of manufactured goods or chattels, where the possession of the chattel passes without the ownership being acquired by bailee until payment of purchase money or some stipulated part thereof, are only valid as against subsequent purchasers or mortgagees without notice when name and address of manufacturer, bailor or vendor are plainly attached to the chattel when possession is given. (1 Geo. v. Chap. 30.) The above does not apply to household furniture, but pianos, organs or other musical instruments are not included in the term "household furniture." It also does not apply where a copy of receipt note or hire receipt is filed with the clerk of the county court within ten days from its execution. A manufacturer, bailor or vendor is to leave a copy of the receipt note or hire receipt with the bailee at the time of its execution or within twenty days thereafter. In an agreement for the sale of merchandise to a trader for the purpose of re-sale in the course of business in which possession passes to the trader but not the absolute ownership until the consideration is satisfied, any such provision as to ownership is void as against creditors unless the provisions of this Act are complied with. Such an agreement, though signed and filed, does not affect purchases from the trader in the usual course of his business. (1 Geo. v. Chap. 30, S. Sec. 4.) A manufacturer, bailor or vendor of chattels under the Act cannot be defeated in his right to property within the meaning of the Act by the bailee or vendee annexing a chattel to realty so as in all other respects to make the chattel part of the realty. But the owner of the realty or any mortgagee or purchaser shall have the right as against the seller to retain the goods upon payment of the amount owing on them.

EXECUTIONS.—Execution may be issued against the goods and lands of the debtor as soon as judgment is recovered except in Division Court cases where judgment is recovered after the defense entered, in which case the defendant has 15 days in which to pay. Writs of execution remain in force for a period of three years, unless satisfied in the meantime or withdrawn by the party at whose instance they were issued. All executions in the sheriff's hands *pro rata*. Under the Creditors Relief Act, if a debtor permits an execution under which a seizure has been made by the sheriff to remain unsatisfied for twenty days after the seizure or until within two days of the time fixed for sale, or allows an execution against lands to remain unsatisfied for nine months after it is placed in the sheriff's hands, creditors in respect of other claims may proceed in a summary manner in the County Court and obtain certificates entitling them to share in whatever is made under the executions of creditors in the sheriff's hands. In order to entitle creditors to share in any moneys realized by the sheriff, their executions or certificates must be lodged with the sheriff within one month from the date of the levy by the sheriff. (For full practice see 9 Ed. vii, Chap. 48. Stocks, moneys, securities, lease hold interests, equities of redemption, etc., etc., may be sold under the execution. (9 Ed. vii, Chap. 47.)

EXEMPTIONS.—The exemptions from execution are, speaking generally, the beds and bedding in ordinary use by the debtor or his family, necessary wearing apparel, and a list of domestic utensils necessarily incident to living, not to exceed in value the sum of \$150; (2) necessary provender for thirty days not to exceed in value the sum of \$40; (3) a cow, six sheep, four hogs and twelve hens, in all not to exceed the value of \$75; (4) tools and implements ordinarily used in the debtor's occupation to the value of \$100, or the debtor may elect to receive the proceeds of the sale of such tools, etc., up to \$100; (5) fifteen hives of bees. The debtor may select the several chattels exempt from seizure. In the case of 2, 3, 4 and 5, the exemption does not apply when the debt is contracted for the identical chattels. (9 Ed. vii, Chap. 47.) Under the Free Grants and Homestead Act there is an exemption from liability for any debt incurred before the issue of the patent, and for twenty years from the date of location, except where the land itself is mortgaged,

or pledged, or for the payment of taxes. (See R. S. O., 1897, Chap. 29.)

FOREIGN CORPORATIONS.—Foreign corporation, under the statute of 1900, in order to carry on within Ontario any of their business, must obtain a license from the Government. In order to obtain a license petition has to be put in and also the corporation is required to file a power of attorney to some person living within the Province, authorizing such person among other things, to accept service and to receive service of process, notices, etc., on behalf of the corporation. The fees for such license are the same as fees payable on the incorporation of a company under the Ontario Companies Act. Where the capital of the Company is \$49,000 or less the fee is \$100; more than \$40,000 and up to \$100,000, \$100, and \$1 for every thousand in excess of \$10,000. When over \$100,000 and not exceeding a million, fee is \$160, and \$2.50 for every \$10,000 in excess of \$100,000. When the capital is \$1,000,000 the fee is \$385; above that, \$2.50 for every \$10,000 or fractional part in excess of \$1,000,000. A provision is made for license being granted at a reduced fee where the company has been carrying on business in Ontario at the time of the passing of the act. Heavy penalties are imposed upon any company and upon the officers or agents of any company carrying on any of its business within the Province in contravention of the provisions of the act. The act further provides that so long as the company remains unlicensed it shall not be capable of maintaining any action, suit or other proceeding in any court in Ontario in respect of any contract made, in whole or in part, within Ontario in the course of or in connection with its business carried on contrary to the provisions of the act. The act provides that taking orders for or buying or selling goods, wares and merchandise by travel or correspondence, if the corporation has no resident agent or representative or no office or place of business in Ontario, shall not be deemed a carrying on of business within the meaning of the act.

HOLIDAYS.—See Bills of Exchange and Promissory Notes.

INTEREST.—Five per cent, is the legal rate of interest, but as there is no law against usury parties may contract for any rate they see fit. Interest may be allowed in the discretion of the court upon open accounts, from the time when a demand of payment is made in writing informing the debtor that interest will be claimed from the date of the demand. (See Bills and Notes.)

JUDGMENTS.—Judgments do not bind the property of debtors until execution is issued and lodged with the sheriff. A judgment remains in force for twenty years. A writ of execution may be issued within any time within six years from the date of judgment, without leave, and after that time leave must be obtained from the court. Judgment debtors, their clerks or employees, or former clerks or employees, or any person or persons to whom they have made a transfer of their property since the debt or liability which was the subject of the action was incurred, may be examined as to the debtor's property.

LIENS IN FAVOR OF BANKS.—authorized by the Laws of the Dominion of Canada. A bank may lend money to any wholesale purchaser or shipper of or dealer in products of agriculture, the forest, quarry and mine, or the sea, lakes and rivers, or to any wholesale purchaser or shipper of or dealer in live stock or dead stock or the products thereof, upon the security of such products, or of such live stock or dead stock or the products thereof; or may lend money to a farmer upon the security of his threshed grain grown upon the farm; or may lend money to any person engaged in business as a wholesale manufacturer of any goods, wares and merchandise, upon the security of the goods, wares and merchandise manufactured by him, or procured for such manufacture. If, with the consent of the bank, the products, goods, etc., upon the security of which money has been loaned, are removed and other products, goods, etc., of substantially the same character are respectively substituted therefor, then to the extent of the value of the products, goods, etc., so removed, the products, goods, etc., so substituted shall be covered by such security as if originally covered thereby; but a failure to obtain the consent of the bank to any such substitution shall not affect the validity of the security as respects any products, etc., actually substituted as afore-

said or in any other particular. The bank shall, by virtue of such security, acquire the same rights and powers in respect of the products, goods, etc., covered thereby as if it had acquired the same by virtue of a warehouse receipt; provided, however, that the wages, etc., of persons employed by any wholesale purchaser, shipper or dealer, by any wholesale manufacturer, or by any farmer in connection with any of the several wholesale business referred to, or in connection with the farm, owing in respect of a period not exceeding three months, shall be a charge upon the property covered by the said security in priority to the claim of the bank thereunder. Dating from August 1st, 1923, Section 88a of the Bank Act provides for the registration of intention to borrow; which includes a certificate being filed, giving the name of the borrower, his domicile, and the name of the bank. If this is not filed the security is invalid. These instruments are registered in the office of the Assistant Receiver General of each Province, and are good for three years; their discharge is also recorded in the same place.

LIMITATIONS.—All actions upon bills of exchange and promissory notes; also actions or the price of goods sold and delivered, and generally all actions arising out of the breach of simple contracts must be brought within six years from the time when the right of action accrued. Actions for rent upon an indenture of demise and actions upon a bond or other specialty (except upon covenants contained in an indenture of mortgage) within twenty years after the cause of such actions arose. Actions upon any covenant contained in an indenture of mortgage made after the 1st of July, 1894 within ten years after the cause of such action arose. (10 Ed. vii, Chap. 34.)

MARRIED WOMEN.—A married woman is capable of acquiring, holding and disposing by will or otherwise, of any real or personal property as her separate property in the same manner as if she were a *feme sole* without the intervention of any trustee. A woman who, while single, contracts debts or renders herself liable for tort, remains liable for such debts or torts after marriage. Her husband is also liable for them to the extent of any property he may have received through his wife, and where so liable he may be sued alone or jointly with her. All contracts made by a married woman prior to 13th April, 1897, are *prima facie* deemed to be made in respect of her separate estate, and unless proved not to have been made with respect to such estate, will bind all separate property as are possessed by a *feme* of the contract or subsequently acquired. Every contract entered into by a married woman on or after the 13th day of April, 1897, is deemed to be a contract entered into with respect to and to bind her separate property, whether she had in fact any separate property at the time at which she entered into such contract or not, and such contract binds all the separate property which she had at the time of making the contract, or subsequently acquired, and is also enforceable by process of law against all property that she might thereafter possess or be entitled to while discoverd, and in respect to any contracts made since such date, it is not necessary for the plaintiff in the proceeding to prove that the married woman has or had the property. A married woman has the same remedies for protection of her separate property as are possessed by a *feme sole*. She may in certain cases e. g. if deserted by her husband obtain an order for the protection of the earnings of her minor children. She is exempt from the provisions of the acts respecting arrests for debts. (9 Ed. vii, Chap. 50.) A married woman is entitled to dower out of all lands of which her husband was seized in fee simple (otherwise than in trust) during marriage and out of all lands to which he died beneficially entitled for an interest (legal or equitable) equal to an estate of inheritance in possession (other than an estate in joint tenancy). The above does not apply to lands in a wholly unimproved state which have been conveyed by the husband during his life time nor, of course, to lands conveyed by the husband in which the wife has barred her dower. Even if under the age of twenty-one years she may join to bar dower in case of sale for value or mortgage and she may also by deed, release her dower to any person to whom the lands have been previously conveyed. (9 Ed. vii, Chap. 39.)

MECHANIC' LIENS.—Every mechanic, builder, miner, laborer or other person doing work upon or furnishing material to be used in erecting, furnishing, etc., any building or

mine or placing machines, etc., therein, has a lien upon the building or mine for the value of the work done and materials, etc., furnished, provided that the work was done at the request or with the consent of the owner or some one having an interest in the property. The lien binds only the interest of the person at whose instance or with whose consent the work was done or the materials, etc., were furnished. A person, however small his interest, who procures work to be done or materials to be furnished, renders his interest subject to the other person in the property unless the circumstances are such as to show that the work done was with the "privity" (not merely the knowledge) of such other person. Any person except a workman, servant, laborer or mechanic whose wages do not exceed \$5 per day, may waive his right to a lien by express written agreement. A mechanic, laborer or person performing labor for wages upon the construction, alteration, etc., of the building or in connection with placing of machinery, etc., in any building erection or mine, has a priority over other liens or such wages not exceeding thirty days' wages. All persons employed by or furnishing materials to a person entitled to a lien, may, provided their work was done or their materials furnished in respect of the subject of such lien give notice of their claim to the owner within thirty days and then acquire a charge on the money payable to the lien holder by the owner. The person primarily liable upon any contract by which a lien may arise for work done or material supplied must retain for a period of thirty days after a completion of the contract, twenty per cent. of the value of the work, services and materials actually done and furnished. Provided where a contract exceeds fifteen thousand dollars, the amount to be retained shall be fifteen per cent. instead of twenty. Liens must be registered within thirty days after the completion of the work, or the supplying or placing of the materials, etc., or within thirty days after the last day's labor for which the wages are payable. The lien may, however, be registered before the completion of the work, and the safer course is to register the lien at once, as in case the owner should dispose of the property to a purchaser for value without notice the lien holder would not be in a position to enforce his lien as against such purchaser. A lien not registered within thirty days ceases to exist, unless proceedings are taken before that time to enforce it, and the certificate of such proceedings is registered. Although the lien has been duly registered it shall cease to exist after the expiration of ninety days after the work has been completed or materials or machinery furnished or wages earned or the expiration of the period of credit (where such period is mentioned in the claim of lien filed) unless in the meantime proceedings are instituted to realize the claim and a certificate thereof registered. Registration has no effect after six months unless renewed or unless proceedings are taken in the meantime to enforce the lien. The full practice is set out in the Statutes and there are provisions by which lien holders obtain the benefit of any proceedings instituted by other lien holders of the same class. (10 Ed. vii, Chap. 69.)

PARTNERSHIPS.—All persons associated in partnership for trading, manufacturing or mining purposes are required to register within six months after the formation of the partnership in the registration division in which they carry on business, a declaration setting forth their names and addresses and the firm name, etc. (See given by the form act.) A similar declaration must be registered on a change in the partnership, and a declaration of any dissolution of partnership must also be registered. Allegations in the declaration are not controvertible as against any person by any person who has signed same. Persons signing the declaration are to be deemed partners until a new declaration is filed. Every person carrying on business under a firm name or in a name other than his own is also required to file a declaration setting forth this fact. Penalties are provided for the non-compliance with the statute. An employer may by agreement allow an employee a share in the profits of his business in lieu of or in addition to his salary, and such agreement shall not create any relation in the nature of partnership or entitle the employee to call for an account, and any statement by the employer of the net profits of any such business by which he appropriates the share payable under such agreement shall be final and conclusive between the parties. (10 Ed. vii, Chap. 68.)

Limited Partnerships.—Two or more persons may form a limited partnership consisting of one or more general partners and one or more special partners; the latter contributing in actual cash payments a specific sum to the common stock and being liable for partnership debts only to the extent of such contribution. The general partners alone are authorized to carry on the business, and any special partner who transacts any business or account of the partnership or acts as agent, attorney, etc., for the partnership, becomes liable as a general partner. A special partner may, however, from time to time examine into the partnership concerns and advise as to management. In case of insolvency of the firm a special partner is not allowed to claim as a creditor until the claims of all other creditors of the partnership have been satisfied. During the continuance of the partnership a special partner cannot withdraw any part of the sum contributed by him to the capital stock of the partnership. He may, however, receive annual interest on the sum contributed by him, provided the payment of such interest does not diminish the amount of capital. The partnership is formed by the recording of a certificate setting out: (1) The firm name; (2) the general nature of the business intended to be transacted; (3) the names and addresses of all the partners distinguishing general from special partners; (4) the amount of capital contributed by each special partner; (5) the period of commencement and termination of the partnership. This certificate is to be signed by all the partners before a notary public and is to be filed in the office of the county court clerk. The continuance of a partnership beyond the time mentioned in the original certificate must also be duly certified. Every alteration made in the names of the partners, in the nature of the business, or in the capital or shares thereof, or in any other matters specified in the original certificate shall be

deemed a dissolution of the partnership, and every such partnership carried on after any such alteration has been made shall be deemed a general partnership. All business is carried on in the firm name in which the names of the general partners alone appear. This act is very strictly construed, and failure to comply with its terms renders a special partner liable as a general partner. (10 Ed. vii, Chap. 67.)

SALES OF STOCK IN BULK.—It is the duty of every person who buys any stock in bulk, for cash, or on credit, before closing the purchase, and before paying any part of the price in excess of \$50, before giving any note or security for the price, to demand and receive from the vendor a written statement verified by a statutory declaration of the vendor, containing the names and addresses of all the creditors of the vendor, and the amounts of the indebtedness or liability due and payable by the vendor to each of the creditors. If there be a failure to obtain the statement, the sale is deemed to be fraudulent and is void as against the creditors, unless all the creditors are paid in full out of the proceeds of the sale. The purchaser, upon obtaining the statement, shall either obtain a written waiver from the creditors of the vendor, or shall pay the whole of the purchase price, or deliver his notes or other documents securing the price, into the hands of a Trustee for distribution pro rata among the creditors of the vendor, subject to any preferences provided by law or by previous contract. The Trustee is to proceed in the same manner as an assignee under the Assignment and Preferences Act. Claims of creditors are to be proved before him and are subject to contest, and are entitled to like priorities as in the case of a distribution under that Act. If the purchaser shall fail to observe the requirements in respect to the trusteeship, without obtaining the written waiver of the creditors, the sale is deemed fraudulent and is void as against the creditors of the vendor, unless all the creditors are paid in full out of the proceeds of the sale. Any sale or transfer of stock, or part thereof, out of the usual course of business or trade of the vendor, or whenever substantially the entire stock of the vendor is sold, or whenever an interest in the business or trade of the vendor is sold, or conveyed, the sale, transfer or conveyance is deemed "a sale in bulk" within the meaning of the Act. But if the vendor produces and delivers to the vendee a written waiver of the provisions of the Act from his creditors having claims of \$50 and over, representing 60 per cent. in number and value of the claims of \$50 and over, as shown by the statutory declaration, then the provisions of the Act do not apply. No action or proceedings shall be brought or taken to set aside or have declared void any sale in bulk for failure to comply with the Act, unless the action is brought within sixty days from the date of the sale, or within sixty days from the date when the creditor attacking the sale first received notice thereof.

No law exists in this Province requiring commercial travelers to take out a license, but municipalities are authorized to pass by-laws requiring peddlers and transient traders to take out licenses under penalty for not doing so, and such by-laws are in force in many municipalities.

PRINCE EDWARD ISLAND—ABSTRACT OF COLLECTION LAWS, ETC.

ACTIONS.—Actions may be brought in the Supreme Court for any debt of not less than \$32.00. County Courts have jurisdiction in matters of debt up to \$150.00. In all suits brought by firms, names of partners must be used. Action cannot be brought in the firm name nor can an assignee of a debtor chosen in action, sue in his own name, but must sue in the name of the assignor. Actions of debt in the Supreme Court are commenced by writ of summons, which may in special cases be specially endorsed. When specially endorsed the plaintiff may sign judgment eight days after service of writ, in default of appearance. Actions in the County Court are commenced by summons and such suits are tried without pleadings.

ARREST.—In an action of debt in the Supreme Court or County Court, upon an affidavit made by the plaintiff setting forth the cause of action as in affidavit to hold to bail, and showing such facts and circumstances as will satisfy a judge that there is reasonable and proper cause for believing that the defendant is about to quit the Province with intent to defeat or delay his creditors or the plaintiff in particular, the judge may order the debtor to be arrested and held to bail. A judge of the Supreme Court or County Court may, after a judgment, order debtor's examination, and if it appears that he has sold or made away with his property fraudulently or does not make satisfactory answers, his arrest may be ordered.

ATTACHMENTS.—Debtors' lands or goods cannot be attached until after judgment unless debtor has absconded. In case of absent or absconding debtors property may be attached in Supreme or County Court as case may be, but the County Court has no jurisdiction to attach land of debtors. A writ of Capias may be issued out of Supreme Court against a debtor about to abscond, but a judge's order for the same must be obtained upon an affidavit swearing to debt and setting out such facts and circumstances as will satisfy judge that debtor is about to leave the Province for the purpose of defrauding creditors. Capias may be issued from County Court for a debtor about to abscond, for any sum over \$4.

PRINCE EDWARD ISLAND COLLECTION LAWS, Etc.

and up to \$150, upon affidavit of the debt and that plaintiff believes defendant is about to leave Province to evade payment of his debt.

BANKRUPTCY—(See Canadian Bankruptcy Act in final pages of Reference Book.)
CHATTEL MORTGAGES.—Every bill of sale (which includes chattel mortgages) must be registered in the County where debtor resides in order to be effectual as against subsequent purchasers and mortgages or execution creditors. An affidavit verifying the indebtedness or consideration of the bill of sale must be sworn to by the grantee, and stating that the bill of sale was not given to prejudice the other creditors. Non-registration of the bill of sale does not invalidate it as between the parties and there is no particular time within which it is required to be registered. As to bills of sale by person in insolvent circumstances, see under heading "ASSIGNMENTS."

COMMERCIAL TRAVELLERS.—Commercial traveller for liquor not being resident of Prince Edward Island, must not take or solicit orders for the sale of liquor within the Province to be imported into the Province or exported therefrom, until he pays the Provincial Treasurer an annual license fee of \$200. A penalty of \$500 is provided for selling liquor without such license. The vendor of such liquor cannot recover the price or same against any debtor in the Province unless such license fee has been paid by the traveller.

COMPANIES.—Taxes are imposed upon Insurance, Loan and other companies doing business in the Province varying according to the nature of the business carried on. Companies not enumerated in the Act, as well as partnerships and individuals, whose principal office and organization is not within Prince Edward Island doing business there by themselves or by their agent residing in the Province, by selling goods in the Province or by soliciting or canvassing for orders, either by themselves or by their agent residing in the Province, for the sale, exchange or purchase of any goods within the Province, either by the production of samples, photographs, catalogues, printed or written matter or simply by word of mouth without the production of sample, photographs, catalogues printed or written matter are required to pay an annual tax of \$100 each payable semi-annually on the 1st June and 1st December in each year. Every Company liable to pay such tax is also required before commencing business, to file with the Provincial Treasurer, a certified copy of its charter and regulations showing its authority to carry on the business in the Province. Such company is also required to file a sworn statement with the Provincial Treasurer, at the time it commences business in the Province and on the 1st April in each year thereafter, showing that the Company is still in existence and legally authorized to transact business under its charter and containing information showing (a) The corporate name of the Company;

(b) How and under what special or general Act the Company was incorporated; (c) Notice of the place where the head office without the Province is situated; (d) Notice of the City, Town and County in Prince Edward Island where the head office of the Company in that Province is situated or proposed to be situated; (e) The amount of the authorized capital stock of the Company; (f) The number of shares into which it is divided; (g) The names, addresses and occupations of each of the Directors and Officers of the Company, and of the agent or person in charge of the Company's business in this Province; (h) The time of the existence of the Company if incorporated for a limited period; (i) In the case of a limited company, that the company is limited; (j) The amount of stock subscribed or issued and the amount paid up thereon; (k) In the case of an insurance company a copy of the last balance sheet and auditor's report thereon. Failure or neglect to file the copy of charter or affidavit renders the Company liable to a penalty but does not prohibit the Company.

EXECUTIONS.—Under executions from the County Court, personal property only of the debtor can be sold. Under executions from the Supreme Court debtor's lands as well as his personal property may be sold. Executions against personal property rank in order of priority. The lands of the debtor are bound by the judgment from the day of filing of a minute of the judgment.

EXEMPTIONS.—Necessary wearing apparel and bedding of a debtor and his family, and the tools or instruments of his trade or calling (\$5 old currency) \$16.20 in money, and his last cow, are exempt from execution out of Supreme Court. Wearing apparel and bedding of debtor and his family, the tools and implements of his trade, and one cooking stove and one cow, in all amounting in value to \$50, are exempt from process out of County Court.

GARNISHEE.—A creditor may garnishee money owing to a debtor by a third party, both before and after judgment by process through any Supreme Court or County Court.

INTEREST.—Where not otherwise agreed upon and where due by law is 5 per cent. No usury law.

JUDGMENTS.—Are good for twenty years if entered in the Supreme Court. Judgments in the Supreme Court bind the real estate of defendant from date of entry providing a minute is filed. A minute must be entered every ten years to preserve its priority. Lands cannot be sold or affected by County Court Judgments.

LIENS.—Lien notes and hire receipts given for manufactured goods or chattels (except household furniture, which, however, does not include pianos, organs, or other musical instruments) are not valid against subsequent purchasers or mortgagees without notice for valuable consideration, unless at the time possession is given to the bailee the name and address of the manufacturer, bailor, or vendor of the same is printed,

stamped or engraved thereon, or otherwise plainly attached thereto. But this does not invalidate any note, receipt or instrument evidencing the bailment or conditional sale, which is filed within ten days from its execution with the prothonotary of the Court in the county in which the bailee or purchaser resides. Articles subject to lien on the premises of a tenant may be sold by his landlord for nonpayment of rent, which takes priority over the lien.

LIENS IN FAVOR OF BANKS.—Authorized by the Laws of the Dominion of Canada. (See this title under the Laws of Ontario. The law is a general one applicable to all the Provinces of the Dominion.)

MECHANIC'S LIEN.—Every mechanic, machinist, laborer, contractor or other person doing work upon or furnishing materials to be used in the construction, alteration or repair of any building or erection, furnishing or placing machinery of any kind in, upon or in connection with any building or erection, may have a lien for the price of such work, machinery or materials, upon such building or erection and the lands occupied thereby, by filing a claim in the office of registrar of deeds, verified by oath, within thirty days after completion of work.

MARRIED WOMAN.—Is capable of acquiring, holding and disposing of any real or personal property in the same manner as if she were a *jemine sole* and may enter into contracts and render herself liable in respect, and to the extent of her separate property.

PARTNERSHIP.—For the transaction of mercantile, mechanical and manufacturing business in the Province, excepting banking and insurance, must be registered, as suit or action may be brought in the Province for any debts due the partnership until a certificate shall be registered.

RENT.—Where goods are seized under execution the landlord of the premises on which the goods are found may claim one year's rent in priority to the claim of the execution creditor.

SALES, CONDITIONAL OF CHATTELS.—(See Lien Notes.)

STOCK BROKERS.—Companies, firms or individuals engaged in buying or selling stocks, shares, bonds or debentures are required to pay a tax and to file with the Provincial Treasurer before offering such stocks, etc., for sale, a copy of the charter and regulations (or proposed charter and regulations if not then incorporated) of every corporation whose debentures, bonds, stocks or shares are about to be bought or sold, with an affidavit containing certain information about such corporation.

WAGES.—Three months' wages are preferred in case of assignment for benefit of creditors. One-half the amount due for wages may be attached under garnishee proceedings.

QUEBEC---ABSTRACT OF COLLECTION LAWS, ETC.

ALIENS.—An alien becomes a British subject by conforming to special requirements which, at present, are found in the Federal Statute of 1914, 4 and 5 George V, chap. 44. An alien woman is naturalized by marriage with a British subject. Aliens may acquire and transmit by onerous or gratuitous title, as well as by succession or by will, both moveable or immovable property. They may sue and be sued; but every person not resident in the Province of Quebec, who brings or institutes any proceedings in its Courts, must give and produce a power of attorney, and give to the opposite party security for costs.

ARREST AND IMPRISONMENT FOR DEBT.—As to arrests under criminal law for acts done in fraud of creditors, see this title under Laws of Ontario. Properly speaking, imprisonment for debt does not exist in this Province; but where a personal debt for \$50.00 or upwards has been created, or is made payable in Quebec or Ontario, plaintiff may obtain a writ of *capias* against the debtor in any of three cases: (1) When the defendant is about to leave the Province of Quebec and Ontario with intent to defraud his creditors in general, or the plaintiff in particular, and the latter thereby will be deprived of his recourse against the defendant; (2) When the defendant, with similar intent and result, is secreting or making away with his property, or has done so, or is immediately about to do so; or (3) When the defendant being a trader has ceased his payments and has refused to make judicial abandonment of his property for the benefit of his creditors, although duly required to do so.—A *capias* does not generally lie against ministers of religion, septuagenarians or women. The writ of *capias*, which may only issue upon an affidavit by the plaintiff, his bookkeeper, clerk or legal attorney, setting forth the required personal debt as well as the existence of one or more of the above grounds, may be joined to the writ of summons or may issue as an incident in the case or after judgment ordering payment. The law provides means for release of defendant on bail.

ATTACHMENTS.—Attachments before judgment issue on production of affidavit that debtor is about to abscond, or secrete goods with a view to defeat or defraud his creditors. The debt must be a personal debt exceeding \$5.00, the affidavit by same persons and set forth the same grounds as for *capias* (see title Arrest and Imprisonment for Debt) except as to amount.

BANKRUPTCY.—(See Canadian Bankruptcy Act in final pages of Reference Book.)

CHATTEL MORTGAGES.—There are no such instruments known to the law in Quebec. If a debtor wish to secure a debt by pledge, he must deliver the absolutely to the creditor or to a third party for the benefit of the creditor. Joint Stock Companies, when authorized by their charter, may pledge their moveable assets to secure their bonds and still remain in possession of said assets. Under the Bank Act, banks may obtain liens which have practically the same effect as a chattel mortgage.

COMMISSIONS.—Commissions for the taking of evidence outside the Province of

Quebec may issue from the Circuit Court and Superior Court.

CONDITIONAL SALES.—The courts recognize and protect contracts, whereby the thing sold remains the property of the unpaid vendor, until all instalments of the sale price have been paid. This applies to contracts in use with regard to the sale of machinery, sewing machines, pianos and other articles of that kind on time, with payments by instalments. In cases arising out of such contracts, the courts here have held that the vendor had a right, on the failure of the person to whom the article was sold, to recover back his machine or article, or whatever it may be, against the claims of the creditors of the purchaser upon return of moneys unless dealers stipulated in contract that moneys paid would be considered as rent for use.

CONTRACTS OF MARRIED WOMEN.—A wife who is a public trader, may, without the authorization of her husband, obligate herself for all that relates to her commerce, and in such case she also binds her husband, if there be community between them. A wife cannot bind herself either with or for her husband if not common as to property and then only as being common as to property.

COSTS.—In personal actions in which the amount demanded or the amount for which judgment is rendered does not exceed twenty-five dollars, no fee shall be granted against the defendant, who can only be condemned to pay the fees of the clerk and the costs of service of the action, except in the following cases:

1. Where the action is contested;
2. Where the action is, or is accompanied by a provisional measure, and such action or provisional measure is declared well founded by the judgment.
3. Where the action is for the recovery of a penalty, or is founded on an infraction of a statute, or upon an offense or quasi offense, or is for the recovery of wages or salary, or of an alimentary allowance, or of municipal or school taxes or assessments or other dues of the same kind, or of tithes, or assessments for the construction or repair of churches, parsonage houses, and cemeteries.

The same rule applies to seizures and to executions in virtue of judgments to which this article applies.

EXECUTION.—Execution can only issue fifteen days after judgment in ordinary cases, and eight days in summary cases, unless cause is shown by plaintiff that defendant is making away with his property, when he can procure its issue immediately. Where the judgment is entered for goods sold and delivered or upon promissory notes, etc., the execution may issue eight days after judgment. Execution can only be stayed by opposition of defendant, supported by affidavit which can be filed on the ground of informality in seizure, or seizures of goods of third party though in possession of defendant. Case tried in the ordinary way, to test these rights, takes from two to three months.

EXEMPTIONS.—The exemptions from execution are beds, bedding and bedsteads, in ordinary use by debtor and his family, neces-

sary wearing apparel, one stove and pipes, and a number of smaller articles, not to exceed \$50 in value. All necessary fuel, meat, vegetables, fish, flour not more than sufficient for ordinary consumption of debtor and family for three months; one cow, four sheep, two hogs and food therefor for thirty days; tools and implements of, or chattels ordinarily used in debtor's occupation, not to exceed \$200 in value; a homestead in certain cases.

FOREIGN CORPORATIONS.—Commercial Corporations and Joint Stock Companies not created by the Legislature of this Province, or of the late Province of Lower Canada, or of the late Province of Canada, are known as *extra provincial corporations* with the exception of (a) certain loan and investment societies; (b) insurance companies, mutual benefit and charitable societies; and (c) corporations created under an Act of the Legislature of another Canadian Province where Quebec corporations may do business without being obliged to take out a license. No *extra provincial corporations* may carry on business here without a license, nor may the representative of such corporation, other than a traveller taking orders for it, carry on any of its business unless such license has been obtained and is in force. The license is obtained on petition to the Lieutenant-Governor, on fulfillment of certain requirements, among others a deposit of a certified copy of charter and of a power of attorney. Like every other, these *extra provincial corporations* must, within 60 days after commencing business here, deliver to the Prothonotary of the Superior Court in each district, or to the Registrar of each registration division in which it carries on business, a written declaration as to the name, manner and date of incorporation, and principal place of business here. These declarations are entered in the books kept for registration of partnerships by the Prothonotary and Registrar. A fine is imposed on the Company, and on the President, Manager or chief Agent, for failure to make the declaration. Neither local nor foreign corporations can acquire immovable property without the consent of the Crown. However, a company incorporated and existing in Great Britain, including the Channel Island and the Isle of Man, in the United States or in Canada, may acquire land in this Province without such consent, but only for actual occupation by it for the purpose of carrying on business. Where more than this is required by a corporation, a license from the Lieutenant-Governor may be obtained on payment of fees.

HOLIDAYS.—Sundays, New Year's Day, Epiphany, Ash Wednesday, Good Friday, Easter Monday, Ascension, All Saints, Conception, Christmas, the Birthday of the Sovereign, or the day fixed by proclamation for its celebration, the 24th of May being Victoria Day, and 1st of July, and any day fixed by the Governor-General or Lieutenant-Governor as a public holiday, as a day of general fast or thanksgiving, or as labor day are legal holidays. Negotiable paper falling due on those days or on a Sunday is due only the day after and must be protested then.

INTEREST.—Interest may be charged when a defendant has promised to pay it, or when a usage or course of dealing has been proved under which defendant has been in the habit of paying interest. When a date has been fixed for payment of an amount in commercial matters, interest runs from that date. When no rate agreed upon legal rate is 5 per cent.

JUDGMENTS.—Judgments may be obtained at any time in default cases, but if the defendant appears by attorney, judgment cannot be entered between July 1st and August 31st; but in commercial matters such as notes or open accounts, defendant must file a plea or an affidavit that he has a serious defense. Judgments may be obtained where no defense interposed in eight or nine days, and in both courts one extra day must be allowed for every fifty miles that defendant lives from the place where the court is held, over and above the first fifty miles. In case of an absentee defendant, he may be called by advertisement in the newspapers, if defendant has not appeared. Special provisions relating to action based upon commercial contracts are designed to expedite the trial and judgment therein. A judgment is good for thirty years. No judgment notes are allowed in Quebec.

JURISDICTION OF COURTS.—Circuit Court up to \$100; Superior Court all amounts above \$100; notes and commercial accounts are outlawed in five years.

LICENSES.—No law exists in this Province requiring commercial travellers to take out a license.

LIENS IN FAVOR OF BANKS authorized by the Laws of the Dominion of Canada. (See this title under the Laws of Ontario. The law is a general one applicable to all the Provinces of the Dominion.)

MARRIED WOMEN: CLAIMS UNDER MARRIAGE CONTRACT OR FOR DOWER.—A woman may be benefited by her husband in the marriage contract by way of donations of moveables or immovables which are meant to take effect either *inter vivos*, during the life of the consort, or *mortis causa*, at the death of the donor. Only when the donation has been made *inter vivos* can the wife make claim upon her husband's insolvent estate. But it is often a question of considerable nicety as to whether the donation was meant to take effect *inter vivos* or only *mortis causa*. In any case donations take effect as regards third persons only when the contract has been registered, except when the donation is one of moveable effects which have been openly in the possession of the donee. Furthermore, when the present Bankruptcy Act (s. 29) comes into force, it would appear that certain gifts, though made *inter vivos*, are void as against the trustee and may not be made the subject of a claim by the wife, unless she has actually received the gift. Such for instance would be the gift of money to be paid at a future time, and in which the husband had no right at the time of the contract.

As to dower, it is either legal or conventional. When conventional, its effect is stated in the marriage contract and it partakes much of the nature of donations *mortis causa*, for which see above. Legal dower exists independently of any marriage contract unless expressly waived by the parties and in particular does it take effect in the case of persons married without any contract. Such legal dower consists in the usufruct for the wife and the ownership for the children of one half of the immovables which belong to the husband at the time of the marriage or which accrue to him thereafter from his ascendant relatives. It opens only upon the death of the husband, unless otherwise stated in the contract. The sale or mortgage by the husband of the immovable subject to dower has no effect whatever upon the rights of the wife and children in that respect. But the wife may expressly renounce for herself and her children to her right of dower, by intervening for that purpose in the deed of sale or mortgage or by so declaring in a separate deed. Like donations, dower is subject to the formalities of registration against the immovable subject to it, and in the absence of such registration it has no effect as regards third persons.

MECHANICS' LIEN.—The (1) *Workman*, including everyone who earns living by manual labor, (2) the *supplier of materials* of every kind entering into the construction, (3) the *builder* including both constructor and sub-constructor, and (4) the *architect*, have a privilege on an immovable to the extent to which they have increased its value. The workman's privilege covers 20 days of arrears and lasts without being registered for 30 days after the end of work, i. e., after the construction is ready for intended use; but the privilege is extinguished on failure to sue within such delay. However, the *workman* employed by the contractor has no direct action against the owner (C. O. 1897). The privilege of the *supplier of materials* is effective only on registration of a notice given to the proprietor stating the nature and costs of materials to be supplied and the cadastral number of lot. Such privilege is extinguished on failure to sue the debtor within 30 days from the end of the work. (C. O. 2213 to 2213-f). The privilege of the *builder*, or the *architect*, is conditional on its being registered within 30 days from the end of the work and the notice of registration in same delay to the proprietor. The privilege is lost after six months from same date unless an action be taken to preserve it. The action is served on Registrar, on whose certificate it will appear. All these, except the privilege of "the workman", are created by registration, within the proper delay, of an affidavit (C. O. 2103). On expiration of six months from registration or "end of work" (which ever is the latest) without suit to preserve the privilege, a creditor on written application and affidavit may require the Registrar to radiate or cancel such privilege. (C. O. 2103 s. 4.)

PARTNERSHIPS.—In partnerships for trading, manufacturing or mechanical purposes, or for the construction of roads, dams and bridges, or of settlements, or of land traffic, within sixty days after formation, the partners must deliver to the Prothonotary for each district, and to the Registrar of each County in which the partnership carries on business, a declaration in writing in the form provided by statute, giving names in full, residence, etc. of each partner, and the name and style of the partnership. A penalty is imposed for non-compliance. A similar declaration must be filed whenever there is a change in the partnership or in the name. No partner is deemed to have ceased to be such until a new declaration has been filed stating the alteration or dissolution of the partnership. Every married person trading alone or in partnership, to avoid penalties must register, in the office of the Prothonotary within said delay of 60 days, a written declaration stating whether he, she, common or separate as to property, etc., with full particulars as to contract or judgment. A similar declaration must be made by any person carrying on business alone under a firm name. When any person makes use in business of a name not his own, every contract, letter, etc., which he issues, must bear the word "registered" after such name. A declaration in same delay must be transmitted to the Prothonotary by everyone not in partnership who uses alone, or with his own name as his business style, some name not his own, who uses his name and adds "and Company" or other form indicating plurality of members. The declaration must state among other information that no other person is associated with the declarant. New declarations in conformity with any changes must be made. An actual partner, though not mentioned in the declaration, may be sued jointly and severally with those mentioned. Service of process at the office or place of business of the partnership here has the same effect as service on the partners personally, and a judgment for a partnership debt may be enforced against the partnership property. In commercial partnerships the partners are jointly and severally liable for the debts. In others not commercial, the partners are liable in equal shares, although their respective shares be unequal. Commercial partnerships are of four kinds: (1) general, (2) anonymous, (3) limited, and (4) Joint Stock Companies. Under the first, with respect to third persons

dealing in good faith, each partner has an implied power to bind the partnership for all obligations in its name in the usual course of business. During the continuance of a general commercial partnership, dormant or unknown partners are liable to third parties in the same manner as ordinary partners; and nominal partners and persons who give reasonable cause for belief that they are partners are liable to third parties in good faith. As to *anonymous partnerships*, the above rules apply in regard to the liabilities of partners towards third parties. *Limited partnerships* consist of one or more general partners, and one or more *special* partners, the latter contributing in cash a specific sum to the capital beyond which sum they are not liable. The general partners only can bind the partnerships. The partners are bound to sign in the presence of a notary the certificate prescribed by article 1875 of the Civil Code, containing in effect the same information as required in Ontario. (See this title under Laws of Ontario.) The certificate must be filed with the same officials as in case of the other partnerships as above mentioned. Until this is done the partnership is not deemed to be formed. If the certificate contains a false statement, all become liable as in a general partnership. Any partnership otherwise renewed than by filing a new certificate is deemed a general partnership. Every alteration in the name of the general partnership, in the nature of the business, in the capital or shares, etc., mentioned in the certificate other than the names of special partners, is deemed a dissolution of the limited partnership, and, if it be carried on afterwards, it is deemed a general partnership, unless renewed as above stated. If the name of a special partner be used in the firm with his privilege, he is deemed a general partner. The special partner must not receive more than lawful interest, and he may receive this only provided such payment does not reduce original amount of capital; he may also receive his share of the profits.

SALES OF STOCK IN BULK.—This means any sale or transfer of a stock in trade or of merchandise, including transfer of license certificates, made directly or indirectly, whether sale is of the whole or nearly the whole, or whether only of an interest in the business. Before complete or partial payment the purchaser shall obtain an affidavit from the seller or his agent, or from the president, secretary or manager where the seller is a company as far as possible in the form following article 1568-d of the Civil Code, and containing information similar to the statutory declaration required in Ontario. (See this title under Laws of Ontario.) Failure to obtain this affidavit has same effect in invalidating the sale as in Ontario (same reference). Article 1568-d of the Civil Code provides in effect that on receiving the affidavit, the buyer must pay the creditors named in it out of the price rateably, according to contracts and having regard to privileges. When creditors are absent from the Province, or in case of contestation, on giving notice in the latter case, the buyer may deposit price in the hands of the Provincial Treasurer in conformity with sections 1484 to 1486 R. S. Q. 1900. The Provincial Treasurer pays on judgment. If after having received the affidavit the buyer fails to observe the requirements of C. O. 1568-d, he becomes personally liable to the creditors named in the affidavit for the sums opposite their names respectively.

VERIFICATIONS OF ACCOUNTS.—No verification is needed; accounts if not contested, may be proved by affidavits taken even outside the Province of Quebec, by competent persons: to wit, commissioners specially appointed for that purpose by judges of the Province of Quebec, etc., and accounts contested, and other claims contested or not, must be proved out of mouth of defendant or by witnesses examined in Court or under commission, if the witnesses reside outside of the Province, or even within the Province at a distance of more than one hundred miles from the place where the Court is held. As to the admission of verbal testimony the rules of the Statute of Frauds apply.

SASKATCHEWAN---ABSTRACT OF COLLECTION LAWS, ETC.

ATTACHMENT OF DEBTS OR GARNISHMENTS.—The creditor may after action is brought for a debt or liquidated demand and either before or after judgment attach debts owing the defendant by means of garnishment. Garnishees summons is obtained on filing affidavit showing the amount and nature of the claim or judgment and swearing positively to the indebtedness of the defendant or judgment debtor to the plaintiff or judgment creditor and stating belief of indebtedness of the proposed garnishee. If debt is due to the defendant for wages it is exempt from attachment unless it exceeds \$75 and then only to the extent of such excess. No exemption when debt sued for is contracted for board and lodging.

ATTACHMENT FOR PERSONAL PROPERTY.—After the commencement of any suit wherein the claim is for the recovery of a debt of \$50 or upwards from the defendant to the plaintiff, upon affidavit made by the plaintiff or agent having personal knowledge stating clearly and succinctly from what cause such debt arose and the amount thereof, and that he has good reasons to believe (giving the reasons thereof) that the defendant (a) is about to abscond or has absconded from the Province leaving personal property liable to seizure under execution or (b) has attempted to remove such personal property out of the Province or to sell or dispose of the same with intent to defraud his creditors generally or the plaintiff in particular; (c) keeps concealed to avoid service of process and (d) in either case that the deponent verily believes that without the benefit of the attachment the plaintiff will lose his debt or sustain damage; and on the further affidavit of one other credible person that he is well acquainted with the defendant and verifying the facts as above, writ of attachment may issue against all the personal property and effects of the defendant liable to seizure, and in any case where the defendant has absconded leaving no wife or family behind, no property of such defendant is exempt from seizure.

BANKRUPTCY.—(See Canadian Bankruptcy Act in final pages of Reference Book.)
BILLS OF EXCHANGE AND PROMISSORY NOTES.—These are governed by the Laws of the Dominion as to days of grace, protest and notice. Interest must be expressed at a certain rate per centum per annum and not per month, week or day, otherwise only 5 per cent. per annum is collectible. If no interest is stipulated, interest at 5 per cent. runs from the date of maturity only. After maturity, notes, etc., bear interest at 5 per cent. unless otherwise expressly stated.

CHattel MORTGAGES.—May be given to secure an existing debt, future advances or to secure a mortgage against endorsements of bills or notes, etc. The future advances must not extend over a longer period than two years. Growing or future crops may be mortgaged only to secure the price of seed grain and food, clothing and binder twine to extent of \$250.00 per quarter section or \$25.00 per half section or any greater quantity of land and crop must be

sown within one year. Chattel mortgage must be accompanied by affidavit of due execution and affidavit of bona fides, and must be registered in the office of the Registration Clerk of the Judicial District in which mortgaged property is situated, within thirty days; they are valid for two years from filing, but renewal can be filed within thirty days before the expiration of such two years and then thirty days before the expiration of each year thereafter. All assignments by retail merchants or traders of book debts or debts to be incurred must be in writing and executed and registered under the provisions of the Bills of Sale Act. Chattel mortgages must be carefully drawn and in strict compliance with the Act, otherwise they are liable to be set aside.

EXECUTIONS.—Executions are good for two years, but may be renewed for a further period of two years from time to time, until judgment expires at the end of twelve years. Execution against lands can only be issued when the amount due on the judgment is \$50 or more, and are only registered in that Land Registration District in which the land lies of that sheriff to whom the writ is directed. The lands of the judgment debtor may be seized and sold after the expiration of one year from the date of delivery of the writ to the Sheriff, and in case the land of the debtor is exempt under the Exemption Act the memorandum of the execution is endorsed on the title and is a latent charge against the land; that is, the land can be sold at any time that it ceases to be exempt under the Exemption Act. There is no priority among execution creditors, all sharing rateably. Charging orders on stocks and shares may be obtained by judgment creditor.

EXEMPTIONS.—The following real and personal property of an execution debtor and his family is exempt from seizure under execution: (1) Necessary and ordinary clothing of himself and family; (2) furniture, household furnishings, dairy utensils to the extent of \$500; (3) necessary food for his family during six months, which may include grain and flour or vegetables and meat, either prepared or on foot; (4) four oxen, horses or mules or any four of them, six cows, six sheep, four pigs and fifty domestic fowls, besides the animals chosen for food purposes and food for same for the winter months; (5) harness for four animals, one wagon or two carts, one mower, or cradle or scythe, one breaking and one cross-plow, one set of harrows, one horse rake, sewing machine, binder, set of sleighs and seed drill; (6) books of professional men; (7) the tools and necessary implements used by the debtor in the practice of his trade or profession to the value of \$200; (8) seed grain sufficient to seed all his land under cultivation not exceeding one hundred and sixty acres at the rate of two bushels per acre and fourteen bushels of potatoes; (9) the homestead, provided it does not exceed 160 acres. In case it be more, the surplus may be sold subject to any liens or encumbrances thereon; (10) house and building occupied by the execution debtor and also the lot or lots on which the same are situated to the extent of \$3,000.

The debtor is entitled to his choice from a greater number of articles of the same class, and except for food, clothing and bedding, the subject matter of the judgment upon which execution is issued is not exempt. There is no exemption in the case of an absconding debtor leaving no wife or family. Interest may be recovered on written agreement after date of maturity and on open accounts from and after demand of payment and notice that interest will be charged if account be not paid. The legal rate is 5 per cent. (See Executions.) Articles numbered (4) and (5) above are exempted from seizure under chattel mortgage.

JUDGMENTS.—Judgments may be entered in default of appearance when the claim is for liquidated debt, twenty days after service when the defendant resides in the Province. Judgments are good for twelve years from the date of entry, but are of no effect to bind either goods or lands of the debtor until an execution is issued and filed with the Sheriff in which district the defendant has goods or lands.

LIEN NOTES AND HIRE RECEIPTS.—When goods to the value of \$15 or upwards are sold and possession parted with, but the ownership or right of property does not pass to the buyer until payment in full, the agreement must be in writing, otherwise it is void as against execution creditors, purchasers for value, etc.; such agreement or a true copy thereof with affidavit of bona fides, must be registered in the office of the proper Registration Clerk within thirty days. But nothing in the Conditional Sales Act applies to the sale of any manufactured goods when the time of delivery have the manufacturer's or vendor's name painted or stamped upon them, if such manufacturer or vendor keeps an office in Saskatchewan where information in reference to such sale may be obtained.

LIENS IN FAVOR OF BANKS authorized by the Laws of the Dominion of Canada. (See this title under the Laws of Ontario. The law is a general one applicable to all the Provinces of the Dominion.)

LIMITATIONS.—All actions for recovery of merchants' accounts, bills, notes and all actions of debt grounded upon any lending or other contract not under seal, shall be commenced within six years after the cause or such action arose; to recover any sum of money secured by mortgage, judgment or lien or otherwise charged upon or payable out of any lands or rent, action must be commenced within twelve years next after commenced with the right to receive the same shall have accrued to some person capable of giving a discharge for or release of the same, but for other debts due under other sealed instruments, within twenty years. An acknowledgement of a debt or a promise to pay sufficient to revive the debt must be in writing and signed by the party chargeable.

MARRIED WOMEN.—Every married woman shall be capable of acquiring, holding and disposing of by will or otherwise and without her husband's consent, any real or personal property whensoever acquired. She may in all respects deal with such property

as if she were a feme sole. She continues liable for her anti-nuptial debts and the husband is only liable for such debts to the extent of the property he receives from her. She has no right to dower property so called but a husband cannot transfer, sell, lease or convey any interest in his homestead being the land exempt from seizure under the Execution Act, unless such transfer or other document is signed by his wife and her name must be signed before certain officials, usually a Justice of the Peace who examines her apart from her husband and takes her acknowledgment that she understands her rights in the homestead and executes the instrument voluntarily. On the death of her husband who leaves a will by the terms of which she would receive less than if he had died intestate leaving a widow and children, the wife may apply to the Court of King's Bench for relief and if she has been guilty of no misconduct the Judge may make an order allowing her a portion of the estate to the extent of that which would have gone to her had her husband died intestate leaving a widow and children; that is equivalent to one-third of his estate after paying all debts.

MORTGAGES ON REAL ESTATE—Must be registered in the proper land titles office and take priority according to the date of registration.

SALE OF GOODS AND STOPPAGE IN TRANSIT.—A contract for the sale of any goods of the value of \$50 or upwards shall

not be enforceable by action unless the buyer shall accept part of the goods so sold and actually receive the same or give something in earnest to bind the contract or in part payment or unless some note or memorandum in writing of the contract be made and signed by the party to be charged or his agent in that behalf. An unpaid seller has (a) lien on the goods or right to retain them for the price while he is in possession of them; (b) in the case of insolvency of the buyer a right of stoppage of the goods in transit after he has parted with the possession of them; (c) a right of resale as limited by the Sale of Goods Act. Subject to the provisions of the Sale of Goods Act when the buyer of goods becomes insolvent the unpaid seller who has parted with the possession of the goods has the right of stopping them in transit, that is to say, he may resume possession of the goods as long as they are in the course of transit and may retain them until payment or tender of the price. (For conditional sales see lien notes.)

SALE OF GOODS IN BULK.—Whenever traders, merchants, commission merchants or manufacturers make any sale or transfer of a stock of goods, wares or merchandise or part thereof out of the usual course of business or trade of the vendor or whenever substantially the entire stock in trade or an interest in the business or trade of the vendor is sold or conveyed it shall be

deemed a sale of bulk, and it shall be the duty of the purchaser to demand and it shall be the duty of the vendor to furnish a statutory declaration setting forth all the creditors of the vendor, their addresses, the nature of their indebtedness, the amount of the same and when due. The sale or transfer shall be deemed to be fraudulent unless such declaration is obtained or unless the whole of the proceeds of such sale be in fact applied by the vendor in payment of all the creditors in full. The purchaser may, however, obtain a written consent of sixty per cent. of the creditors representing at least sixty per cent. of the total claims against the vendor or he may pay the whole of the consideration for such sale or transfer to a Trust Company authorized to act under the Assignment Act and such company shall distribute the same pro rata among all the creditors of the vendor.

SALE OF GOODS TO CO-OPERATIVE ASSOCIATIONS.—By the Agricultural Co-operative Associations Act such Associations are not to purchase goods on credit except from other Co-operative Associations, unless they have complied with certain conditions and obtained a Certificate from the Registrar of Joint Stock Companies which will allow them to purchase on credit. A copy of any Certificate granted to an Association may be obtained on application to the Registrar of Joint Stock Companies on payment of 25c.

BANKS AND BANKERS IN YUKON TERRITORY

DAWSON

BANK OF MONTREAL

CANADIAN BANK OF COMMERCE

WHITE HORSE

CANADIAN BANK OF COMMERCE

CANADIAN BANKRUPTCY ACT.

BANKRUPTCY ACT.—Enacted by the Parliament of Canada and came into operation on 1st July, 1920. By this legislation bankruptcy courts and uniform bankruptcy laws have been introduced throughout the Dominion, and the provincial statutes dealing with voluntary assignments for the benefit of creditors have been superseded. The Bankruptcy Act extends to individuals, partners and corporations and the Dominion Winding-up Act no longer applies to insolvent corporations except by leave of Court.

SCOPE OF ACT.—The Court may now, on proof of certain conditions hereinafter referred to, adjudicate a debtor bankrupt and make a receiving order for the protection of the estate. The Act also provides for "authorized assignments," that is to say, a voluntary assignment made by the debtor to the Official Receiver, and which will have the same effect, as a receiving order made under the Act. The Act also provides machinery for enforcing compositions or extensions proposed by a debtor.

AUTHORIZED ASSIGNMENTS.—An insolvent debtor having liabilities exceeding \$500 may at any time prior to the making of a receiving order against him make an authorized assignment of all his property for the general benefit of his creditors. The authorized assignment, accompanied by a sworn statement showing the property of the debtor, the names and addresses of all his creditors and the amount and nature of their respective claims, is filed with the Official Receiver, a court official, who thereupon appoints one of the creditors as Custodian of the estate to act until appointment of a trustee at the meeting of creditors. Such an assignment takes preference over all attachments, executions, etc., and vests all the property of the assignor in the trustee except such property as would be exempt from seizure under legal process in the particular province.

RECEIVING ORDER.—When a debtor commits an "act of bankruptcy" a creditor may present to the court a bankruptcy petition verified by affidavit and served on the debtor. The debt owing to the creditor or two or more of the petitioning creditors must exceed \$500 and the act of bankruptcy must have occurred within six months prior to the presentation of the petition. What amounts to an "act of bankruptcy" is defined by the Act and may be summarized as follows: (a) Making an assignment for benefit of creditors; (b) Making a fraudulent conveyance; (c) Giving a fraudulent preference; (d) Absconding; (e) Permitting an execution to remain unsatisfied for a certain time; (f) Exhibiting to a meeting of creditors any statement admitting inability to pay his debts; (g) Removing or secreting goods with intent to defraud; (h) Making any bulk sale of his goods without complying with the provisions of the Bulk Sales Act; (i) Giving notice to any creditor that he has suspended or is about to suspend payment of his debts; (j) Ceasing to meet his liabilities generally as they become due.

If the Court is satisfied, a receiving order is made and a custodian is appointed, and thereafter no creditor can take any proceedings against the debtor without leave of Court, except that a secured creditor may realize upon his security. It is to be noted that a receiving order cannot be made against farmers or wage earners.

COMPOSITIONS AND EXTENSIONS.—Where an insolvent debtor intends to make

a proposal for (a) a composition in satisfaction of his debts, or (b) an extension of time for payment thereof, or (c) a scheme of arrangement of his affairs, he may, after the making of a receiving order against him or the making of an authorized assignment by him, require the appointed trustee to convene a meeting of his creditors to consider such proposal. If at such meeting the majority of creditors holding two-thirds in amount of proved debts accept the proposal, it shall be deemed to be accepted by the creditors, and if approved by the Court, shall be binding upon all creditors.

TRUSTEES.—Upon the making of a receiving order or the filing of an assignment the Court appoints a custodian who acts temporarily until the appointment of the trustee. Any person but the Official Receiver may act as trustee and is appointed by ordinary resolution at the first meeting of creditors. The trustee is required within seven days to give security satisfactory to the Official Receiver conditioned for the due accounting of money and property received by him as trustee.

CREDITORS' MEETINGS.—Notice of the first creditors' meeting and a list of creditors, their addresses and amount of their claims, must be sent out by the custodian to every known creditor within five days from the date of the receiving order or assignment for a date not later than fifteen days after the making of the notice. No creditor may vote at the meeting unless he has duly proved his debt. The scale of votes is as follows: For every claim of or over \$25, one vote; for every claim over \$200, two votes; for every claim over \$500, and not exceeding \$1000, three votes; every additional \$1000, or fraction thereof, one vote. A secured creditor is not entitled to vote unless he has proved his debt and valued his security and then only as to the excess over the value of the security. The Act also provides for appointment of inspectors by the creditors. The inspectors are to be paid travelling expenses and fees varying from \$2 to \$10 per meeting according to the size of the estate. The debtor must attend the first meeting of creditors and submit to such examination as the meeting requires, and aid the trustee throughout in the performance of his duties.

SECURED CREDITORS.—A secured creditor is one holding security on the property of a debtor, as, for example, a lienholder. A secured creditor may act in any one of four ways.—(1) Rely on his security, subject to redemption by trustee, and not prove against the estate; (2) Realize his security and prove against estate for balance; (3) Surrender his security and prove for whole debt; (4) Prove against estate, valuing his security and ranking for balance. The trustee may redeem the security on payment of the assessed value, or he may require the security to be offered for sale.

RESTRICTED CREDITORS.—Certain classes of creditors are known as restricted creditors and their claims are postponed until all the other creditors are paid in full. These are claims of the wife for wages; claims of the husband for wages; or for money or property lent to the debtor; claims for wages exceeding three months, by father, mother, son, daughter, brother, sister, uncle or aunt; and claims for wages exceeding three months by officers, directors or shareholders of a bankrupt corporation.

FRAUDULENT PREFERENCES AND CONVEYANCES.—(a) All settlements of

property except marriage settlements are void against the trustee if the settler becomes insolvent within one year, and shall be void within five years unless the parties claiming can prove that the settler was at the time able to pay all his debts without the aid of the property comprised in the settlement; (b) Certain marriage contracts are void against the trustee unless executed previous to the date of the petition in bankruptcy or assignment, and any payment or transfer made thereunder shall be void as against the trustee unless made more than six months before the date of the petition or assignment; (c) Assignments of book debts unless registered in accordance with Provincial Statutes applicable shall be void as against the trustee; (d) A conveyance or transfer in favor of a creditor with a view to giving such creditor a preference over other creditors is void if the person making the same is adjudged bankrupt or makes an assignment within three months from the date of same.

DISTRIBUTION OF ASSETS.—In the distribution of the property of the debtor the following order of priority governs.—(a) Rent, to the value of distrainable assets and not exceeding three months accrued due; (b) Expenses of the trustee; (c) Costs of the first execution creditor; (d) Wages of employees for three months preceding date of assignment or receiving order and any indebtedness under Workmen's Compensation Act. The Act also preserves the rights of the Dominion and the Province with respect to the collection of taxes. In certain cases these charges have priority over the claims of creditors. Subject to these priorities all proved debts are paid *pari passu*. The trustee is required to pay dividends promptly and the first dividend is to be paid within six months and thereafter a further dividend whenever the trustee has sufficient moneys on hand to pay ten per cent.

DISCHARGE OF DEBTOR.—A debtor may at any time after being adjudged bankrupt or making an authorized assignment apply to the Court for an order of discharge. Notice of the application is given to each creditor, and the Court may grant or refuse an absolute discharge or grant a conditional discharge. For example, if the assets of the bankrupt are not equal to 50 cents on the dollar of his unsecured liabilities, or if he has on a previous occasion been adjudged bankrupt, or if he has committed certain offences against the Act, the Court may suspend the discharge until a dividend of not less than 50 cents on the dollar has been paid, or it may require the bankrupt, as a condition of his discharge, to consent to judgement being entered against him by the trustee for all or part of the balance owing, such balance to be paid out of future earnings.

Other matters which may prevent him obtaining a full discharge are that he omitted to keep proper books of account; that he continued to trade after knowing himself to be insolvent; that he has failed to account satisfactorily for any loss of assets; that he has within three months of the receiving order or assignment given an undue preference to any creditor; or that he has been guilty of fraud.

An order of discharge will release the bankrupt from all debts provable in bankruptcy, with certain exceptions. These are: (a) Debt of recognition; (b) Debt incurred by means of fraud; (c) Liability under a judgment in matrimonial cases, etc.; (d) Any debt for necessities of life.
